## Unique Services

### Fun Focus Weeks

- Students may choose a song outside of the normal course content to practice.
  - Examples include songs from movies, popular bands and solo artist, or additional classical literature.
- Every 2<sup>nd</sup> lesson will be devoted to learning this song.
  - Scales and current recital songs will take priority.
- Rose Music Studio can also help the student customize a Fun Focus Week song to their own style, level, and/or ensemble preferences.
- Available for Levels 2 and higher.

### Studio Projects

- Students get the opportunity and experience of recording a song in Rose Music Studio's recording studio.
- Rose Music Studio can advise on which songs to record, or help the student put together a recording project of their own choosing.
- Recording and editing done in lesson.
- Available for Levels 4 and 5.

### Benefit Concert (This Service is still under development).

- Students will prepare a 40-60 minute solo recital program.
- Songs must meet the following requirements.
  - One Baroque Era piece
  - One Classical Era piece
  - One Romantic Era piece
  - One 20<sup>th</sup> Century piece
- Only available for Level 5 students.
